Terrell (Trey) Page has gained valuable experience through exposure to a number of different job fields. He has a passion for learning and reinventing himself. He is willing to put in the hard work needed to complete any task and meet deadlines. Where there's a Trey there's a way.

EXPERIENCE

2017 – 2019

MEDICAL LAB TECHNICIAN, AIR FORCE CONTRACTOR

- Started before lab was there and helped create the entire entity.
- Creating the lab required communication and organizing with multiple departments.

2013 – 2017

MEDICAL LAB MANAGER, MIRAMONT FAMILY MEDICINE

- Started as a Phlebotomist and moved up into lab manager within 4 years.
- Managed 5 labs, with each averaging over 100 tests a month and 2 employees each.

EDUCATION

AUGUST 2019

JAVA/ANDROID BOOTCAMP, CNM STEMULUS CENTER

The Java/Android bootcamp and the CNM Stemulus Center provided Trey with a well-rounded knowledge of software development.

JULY 2015

BACHELOR OF SCIENCE IN CLINICAL LABORATORY SCIENCE, DEVRY UNIVERSITY

I made a drastic change in education path based on my role at Miramont Family Medicine and completed my bachelor's degree.
